

## INFORMATIONAL NOTICE

The California Department of Transportation will begin a 12-month construction operation in Mussel Shoals along U.S. 101 on June 26.

Hours will be 7 a.m. to 5 p.m., Monday through Friday.

The work involves construction of several retaining walls and sound walls in relation to the US 101 Carpool Lane Improvement Project from Mobil Pier Road to Casitas Pass Road.

Caltrans will take every measure to minimize impacts from this work however some parking adjacent to and within Caltrans Right of Way will not be accessible during this time. Additional information regarding the exact location of the affected parking will be provided when available.

For questions or to obtain additional information, please contact the project hotline at (855) 454-6335.

Caltrans appreciates your patience and cooperation as we move forward with this vital transportation project.
